Slim, Stylish USB Flash Drive

Lexar offers a comprehensive line of high-performance USB flash drives designed with a wide variety of features, capacities, and capabilities. With so many options, it's easy to find the right Lexar® JumpDrive® USB flash drive to fit your needs and lifestyle.

Lexar JumpDrive VE is a high-capacity USB flash drive that provides a convenient solution for storing, transferring, and sharing multimedia and more. Lexar JumpDrive VE is available in 2GB, 4GB, 8GB, and 16GB capacities.

Convenient, High-Capacity Portable Storage

High-Capacity Storage. JumpDrive VE is available in a range of large capacities, allowing you to transfer, store, and share a vast number of data, photo, music, and video files. The drive has a cap to protect the drive and its contents, providing an excellent combination of durability and convenience.

Plug-and-Play Design. JumpDrive VE has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you. Its slim design allows you to easily access a USB port, and the drive works across platforms, giving you flexibility and ease of use.

Color Options. Created to suit your style, JumpDrive VE is available in two color choices—white (2GB and 4GB) or black (8GB and 16GB). With large storage capacities, great features, and a slim design, JumpDrive VE is a versatile and convenient portable storage solution.

Lexar offers a comprehensive line of innovative, award-winning memory products in several categories, including memory cards, card readers, DRAM, USB flash drives, and portable backup drives. With so many options, it's easy to find the right Lexar solution to fit your needs.

Lexar. When Memory Matters.™

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes. For more information, go to www.lexar.com/capacity.
